Task Order No. 3
Contract No. CH-900

30 June 1964

The Perkin-Elmer Corporation
Main Avenue
Norwalk, Connecticut

Gentlemen:

1. In accordance with the provisions of Contract No. CH-900 and effective upon your acceptance hereof, you are authorized to proceed with the performance of Task Order No. 3 to said contract.
2. The scope of work to be performed under this Task Order and such additional provisions as may be applicable are set forth in the attached schedule.
3. **ESTIMATED COST AND FIXED-FEE:**
 - a. The estimated cost of the performance of this Task Order, exclusive of the fixed-fee, is FORTY-SIX THOUSAND TWO HUNDRED THIRTY DOLLARS (\$46,230). Cost in excess of this amount shall not be incurred without the prior written authorization of the Contracting Officer.
 - b. The fixed-fee for the performance of this Task Order shall be FOUR THOUSAND ONE HUNDRED SIXTY DOLLARS (\$4,160).
4. The period of performance of this Task Order shall expire on 31 August 1964; however, said period of performance may be extended by mutual agreement.
5. Upon execution of all copies of this Task Order No. 3 please return the original and one copy to the undersigned and retain the remaining copy for your files.

Very truly yours,

ACKNOWLEDGED AND ACCEPTED

TH

BY

TITLE Vice President & Gen. Mgr.,

DATE 30 June 1964

Contracting Officer

SCHEDULE

1. The Contractor shall perform the following specific items of work in accordance with its Proposal MW-P-326, dated 22 May 1964, to accomplish the objectives described below:

- a. A configuration and design study for each of two aircraft, as specified by the government project officer, which will result in detailed system and subsystem specifications as outlined in the proposal.
- b. A parametric system analysis which will define system performance under real operating conditions, and which will result in optimization of all subsystems and components.
- c. Incorporation of mission operating data and background studies, as supplied by the government project officer, into a mission profile which will generally describe operating requirements of the system before, during, and after operation.
- d. A cost and schedule estimate for the hardware program.

2. The design study required hereunder shall be performed within a period of 8 weeks from the date of this Task Order.

3. Anticipatory Costs. All costs which have been incurred by the Contractor on or after 23 June 1964 in anticipation of and prior to the signing of this Task Order No. 3 and which if incurred after the signing of this Task Order would have been considered as allowable costs hereunder will be accepted as costs under this Task Order.
